

DAY 1 Monday, 13 June 2022

Planning and future-proofing PPP Strategy and Frameworks

13:00 - 13:15 CET

Congress Starts

Welcome address by the President of WAPPP

Opening remarks

Speaker:

Mr. Ziad-Alexandre Hayek, President, WAPPP

13:15 - 14:30 CET

Opening Keynote

Keynote Panel

How do PPPs harness the opportunities, avoid maladaptation, and enhance predictability of finance to meet COP 27 and 2030 Agenda goals?

Speaker:

Mr. Hubert Danso, CEO and Chairman, Africa investor (Ai) Group
Mr. David Duarte, Head of Public Finance, Ministry of Finance, Chile
Mr. Morgan Landy, Senior Director of Global Infrastructure, IFC
Ms. Julia Prescott, Co-Founder, Meridiam

Moderator:

Mr. Ziad-Alexandre Hayek, President, WAPPP

14:30 - 15:30 CET

Session 1

Aligning financing with SDGs and ESG

Financing demands ESG taxonomy and measures impact which are aligned with new sustainability standards and SDGs. Future proofing PPPs means bringing new investors into the mix which are looking for ESG investments. Session will discuss, are new PPPs prepared for this demand from financiers? Are projects underestimating climate-related risks? Is there enough financing going to ESG investments?

This session is presented in collaboration with:

Sustainable Factors
SUSTAINABILITY BY DESIGN

CLIMATE
POLICY
INITIATIVE

Speakers:

Ms. Marion Amiot, Head of Climate Economics, S&P Global Ratings
Mr. Benoît Felix, Global Head of Structured Finance, Banco Santander
Mr. Ashok Emani, Principal-ESG, National Investment & Infrastructure Fund (NIIF), India
Mr. Rizvan Malik, Managing Partner, Sustainable Factors
Ms. Bella Tonkonogy, Director, Climate Policy Initiative

Moderator:

Ms. Jyoti Bisbey, WAPPP Executive Committee Member

15:30 - 16:30 CET

Event Partner Session

Readiness to promote Climate Resilient PPPs

ESG-vulnerable countries are facing adverse impact socially and contractually to existing and future PPP projects caused by climate physical risks, rising sea levels, droughts, etc and adverse natural events. Session will deep dive into addressing capacity to undertake and be agile to the rapidly changing environment in the market, projects and demands from the private sector to form a successful partnership.

This session is presented in collaboration with:

International
Finance Corporation
WORLD BANK GROUP

Meridiam
for people and the planet

Speakers:

Mr. Salim Bensmail, Senior Investment Director, Meridiam
Mr. Muneer Ferozie, Regional Manager and Header of Transaction Advisory Services, Middle East, Central Asia, Turkey, Afghanistan and Pakistan (MCT) Region, International Finance Corporation (IFC)
Mr. Mahesh Harhare, Program Head - Climate Action Plan, WRI India
Ms. Jennifer Möller-Gulland, Founder, Water Security Collective

Moderator:

Mr. Francois Bergere, Executive Director, LTIIA

This session is sponsored by:

Long-term
Infrastructure
Investors
Association

16:30 - 17:30 CET

Event Partner Session

How can PPPs embrace Innovation and Technology?

Infrastructure 4.0 is defined as "Forward-looking infrastructure that leverages technology and information to provide high-quality environmental, economic and social outcomes, and functions as a system within broader human and natural systems." Session will discuss what are the innovations in the next generations of PPPs.

Speakers:

Dr Alex Byrne, VP, Head of Asset Management Services, Siemens Healthineers
Ms. Tanya Dombkins, Technology Advisor, ISRC/WAPPP
Mr. Cedric Joutet, CEO and Co-founder, InfraBlocks Technology
Richard Seline, Co-Founder, Resilience Innovation Hub

Moderator:

Arthur Terechtchouk, Partner, Superset Infrastructure

This session sponsored by:

17:30 - 18:30 CET

DFI Session

Private sector as a catalyzer of sustainable infrastructure through PPPs

The objective of the session will be to discuss ways in which the private sector can bring forward financial and technical innovation to promote the development of more resilient and sustainable infrastructure.

Speakers:

Ms. Johanna Gomez Velazquez, Investment Management Lead Officer, IDB Invest
Mr. Camilo Gonzalez, Partner, EY Colombia
Mr. Hector Leon Mendez, Legal Director, Union del Sur Highway Concession, Sacyr Group
Ms. Jessica Springsteen, Partner, Clifford Chance

Moderator:

Mr. Ricardo De Vecchi Galindo, Head, Public-Private Partnerships, Advisory Services Team, IDB Invest

This session is organised by:

DAY 2

Tuesday, 14 June 2022

Adapting PPP Contracts and implementation to the new realities

🕒 09:00 - 09:45 CET

PPP Unit Session

Kuwait

Middle East & North Africa Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Nayef Alhaddad, Manager, Research and Strategic Planning, **Kuwait Authority for Partnership Projects**

🕒 09:45 - 10:30 CET

PPP Unit Session

Kenya

Africa Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Moses Rotich Cherono, PPP Project Officer, PPP Directorate, **National Treasury**, Kenya

🕒 10:30 - 11:15 CET

PPP Unit Session

Morocco

Middle East & North Africa Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Fatima-Zohra Rahmoun, PPP Unit, **DEPP/MEF**, Morocco

🕒 11:15 - 12:00 CET

PPP Unit Session

Poland

Europe Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Mr. Bartosz Mysiorski, Chief Executive Officer of the **PPP Centre**

🕒 12:00 - 13:30 CET

Event Partner Session

Managing PPP contracts to cope with current and future changes

Managing PPP Contracts is much more than monitoring. It involves managing contingencies and risks, claims, relationships, disputes and changes, in addition to performance management. Effective contract management includes a sound PPP contract, well designed Contract Management function, appropriate capacities and resources, and much more. Session will discuss the critical elements of contract management.

Speakers:

Mr. João Canto e Castro, Infraestruturas de Portugal

Mr. Richard Foster, Director of **Foster Infrastructure**

Ms. Verona Vacianna, **Development Bank of Jamaica**

Mr. José Yitani, PPP Knowledge Management at **IDB**

Moderator:

Mr. Andrés Rebollo, Managing Director, **K-infra**

This session is sponsored by:

🕒 13:30 - 14:30 CET

Sector Session

Evolving the airport PPP industry to meet the challenges of the energy transition

The decarbonization objective tends to become a "license to operate" for recent airport PPPs, thanks to major international institutions. But today's real challenge for airports has become to meet the future energy needs of the aeronautical industry. Session will discuss how future airport PPP models can consider this challenge and face its financial consequences?

This session is presented in collaboration with:

Speakers:

Mr. Mathieu Blondel, Partner-Head of Airport competence - **AD Little**

Mr. Reinald Frankewitz, Manager Airport Operation & Developpement, **AviAlliance**

Dr. Nadine Itani, Air Transport Lecturer, **University of Surrey**

Mr. Alexandre Leigh, Head of Airport practice, **IFC**

Vasudevan S. - Partner, Airport Sector Lead, **KPMG**

Juliana Scavuzzi - Senior Director, Sustainability, Environmental Protection & Legal Affairs, **Airports Council International - ACI World**

Moderator:

Mr. Jacques Follain, Chair, **WAPPP Airport Chapter**

🕒 14:30 - 16:00 CET

DFI Session

PPPs in times of crises

As countries begin to recover from the economic crisis and the pandemic, it's pivotal that the investment decisions integrate climate, resilience and inclusivity. This session will discuss i) the challenges created by the pandemic on PPPs and ii) what actions the governments can take to emerge from the pandemic while ensuring infrastructure investments are clean and green.

This session is organised by:

WORLD BANK GROUP

Speakers:

Mr. Ousmane Diawara, Senior Manager, Infrastructure advisory, **EY Consulting**

Mr. Imad Fakhoury, Global Director of **IPG Group**, **World Bank**

Mr. Andrew Orr, Partner, **Dentons Law Firm**

Ms. Gisele Saralegui, Infrastructure & PPP Advisory, Global Climate Lead, **IFC**

Ms. Jemima Sy, Program Manager, **PPIAF**

Moderator:

Ms. Fatouma Toure Ibrahima, Manager, PPP Group, **World Bank**

🕒 16:00 - 17:00 CET

Session 1

Financing the leapfrogging of emerging economies: the role of PPPs

How can we make sure our investments to stimulate economies don't lock us into the present, but enable us to leapfrog to a regenerative economy? We will discuss how public and private leaders can work together, exploit the potential of climate and blended finance and altogether drive a paradigm shift in infrastructure investment planning to enable a just transition.

Speakers:

Mohammed Alsayed, Manager, Public Private Partnership Division, **Islamic Development Bank Group**

Genevieve Edens, Director, Impact & ESG, **Water Equity**

Mr. Gianleo Frisari, Senior Climate Change Specialist, **IADB**

Sazini Mojapelo, Managing Partner, **Shared Value Africa**

Ms. Melissa Zanocco, Head of Programmes, **UK Infrastructure Client Group**

Moderator:

Dr. Monica A. Altamirano, Chair **WAPPP Water and Natural Infrastructure Chapter**

🕒 17:00 - 17:45 CET

PPP Unit Session

Ukraine

Europe Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speakers:

Mr. Niko Gachechyladze, Director of **PPP Agency UA**

Mr. Taras Boichuk, Head of the PPP Unit, **Ministry of Infrastructure**

🕒 17:45 - 18:30 CET

PPP Unit Session

Panama

Latin America Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Saleh Asvat, Secretary, **SNAPP**

🕒 18:30 - 19:15 CET

PPP Unit Session

Tunisia

Middle East Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Atef Majdoub, President, **l'instance générale des partenariats public-privés**

DAY 3

Wednesday, 15 June 2022

The view from the field and PPP Unit presentations

08:00 - 08:45 CET

PPP Unit Session

Japan

Asia-Pacific Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Mr. Osamu Tanabe, Special Advisor to the PPP / PFI Promotion Office, Cabinet Office of Japan

08:45 - 09:30 CET

PPP Unit Session

Republic of Korea

Asia-Pacific Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Yoo-Eun KOH, Senior Research Associate, Global Cooperation Team, Public and Private Infrastructure Investment Management Center (PIMAC)
Seungbeum RHO, Head, Global Cooperation Team, Public and Private Infrastructure Investment Management Center (PIMAC)

09:30 - 10:15 CET

PPP Unit Session

The Philippines

Asia Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Mr. Eleazar Ricote, Deputy Executive Director, PPP Center

10:15 - 11:00 CET

PPP Unit Session

Kyrgyz Republic

CIS & Turkey Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Sanzharbek Bolotov, Director of PPP Center, National Investment Agency

11:00 - 11:45 CET

PPP Unit Session

Egypt

Middle East & North Africa Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Mr. Atter Hannoura, Director of PPP Unit, Ministry of Finance

11:45 - 12:30 CET

PPP Unit Session

Italy

Europe Chapter

Green and sustainable investments: case studies

Speaker:

Dr. Gabriele Pasquini, Director & Head of sustainable investments in healthcare and urban policies

12:30 - 13:15 CET

Event Partner Session

PPP project transaction management

Building better PPPs: Future-proofed PPPs require urgent action to build forward better, but risk and inefficiency still plague complex and sensitive PPP projects. Can custom built technology reduce risk and accelerate PPP preparation and procurement? This session will include a live demo of technology used to better manage over half a trillion dollars of PPP projects around the world.

Speaker:

Mr. Andy Potter, Director, Ansarada

This session is sponsored by:

13:00 - 14:00 CET

DFI Session

What can MDBs do to foster resilient PPPs?

DFIs facilitated sessions to bring their tools and products to support PPP units in project preparation and implementation. Jointly organized with Asian Development Bank (ADB) and Africa Development Bank (AfDB)

Speakers:

Mr. Takeo Koike, Director, Office of Public-Private Partnerships, ADB
Mr. Mike Salawou, Acting Director, Private sector, Infrastructure and Industrialization (PICU), AfDB

This session is jointly organised with:

14:00-14:45 CET

DFI Session

What can UN Regional Commissions do to foster resilient PPPs?

UN Regional Economic and Social Commissions facilitated session to bring their tools and products to support PPP units in project preparation and implementation.

Speakers:

Dr. Yarab Badr, Regional Advisor on Transport and Logistics, UN Economic Commission for Economic and Social Commission for Western Asia
Mr. Anthony Monganelli Mehlwana, Leader of the PPP initiative in infrastructure development, UN Economic Commission for Africa
Mr. Claudio Meza, Economic Affairs Officer, UN Economic Commission for Europe
Ms. Jeannette Larde, Infrastructure expert & Mr. Ricardo J. Sanchez, Senior Economic Affairs Officer, UN Economic Commission for Latin-America and the Caribbean

Moderator:

Mr. Jean-Christophe Barth, Executive Director, WAPPP

This session is presented in collaboration with:

14:45 - 15:30 CET

PPP Unit Session

Rwanda

Africa Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Mr. Dennis Gatera, Head of Transactions, Rwanda Development Board

15:30 - 16:15 CET

PPP Unit Session

USA

North America Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Mr. Sam Beydoun, Project Development Lead, Build America Bureau

16:15 - 17:00 CET

PPP Unit Session

Canada

North America Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Ms. Lisa Mitchell, CEO, Canadian Council for PPPs

17:00 - 17:45 CET

PPP Unit Session

Mexico

North America Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Mr. Miguel Siliceo, Director titular de la Unidad de Inversión y APP de la Secretaría Hacienda Crédito Público SHCP de México

17:45 - 18:30 CET

PPP Unit Session

Peru

Latin America Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Mr. Rafael Ugaz, Executive Director of Agencia de Promoción de la Inversión Privada Perú (Proinversión)

18:30 - 19:15 CET

PPP Unit Session

Paraguay

Latin America Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:

Mr. Jorge Vergara, Strategic Projects Directorate, Ministry of Public Works and Communication Director, DIPE, Paraguay

DAY 4

Thursday, 16 June 2022

Thematic-based and sectoral discussions

09:00 - 09:15 CET

Opening Day 4

08:30 - 09:15 CET

PPP Unit Session

Indonesia

Speaker:
Representative of Indonesia PPP Unit

Asia Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

09:15 - 10:00 CET

PPP Unit Session

Bangladesh

Speaker:
Md. Abul Bashar, Director General (Programming & Investment Promotion), PPP Authority

South Asia Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

10:15 - 11:15 CET

Event Partner Session

Rising urbanization, changing demographics and the need for green mobility

Session will discuss the growing challenge of shifting people to a greener mode of mobility. As economies grow, so does access to private vehicles with rising emissions. Can private investment be directed to affordable green mobility so it's a win-win for people, governments and investors?

Speakers:
Ms. Camos Daurella, Chief Officer of Corporate Business, Metro of Barcelona
Mr. Gregoire Gauthier, Sr Transport Specialist, World Bank
Mr. Mathieu Peller, Partner, COO, Africa, Meridiam (BRT Dakar)
Ms. Stefania Di Serio, Director of Strategy and Innovation Seamless Mobility, ALMAVIVA

Moderator:
Mr. Francois Bergere, Executive Director, LTIIA

This session is sponsored by:

11:15 - 12:00 CET

PPP Unit Session

ECOWAS Commission

Africa Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:
Representative of ECOWAS Commission

12:00 - 13:00 CET

Sector Session

Ports on the frontline of climate change

Climate change-related impacts and adaptation for ports. Potential for PPPs: Key challenges in the design and delivery of PPPs for port resilient infrastructure, allocation of responsibilities, mobilizing finance.

Speakers:
Ms. Regina Asariotis, Chief, Policy and Legislation, Trade Logistics Branch, UNCTAD
Mr. Andre Toet, Advisor, Port of Rotterdam International
Mr. David Wignall, Senior Port Advisor

Moderator:
Ms. Frida Youssef, Chief, Transport Section, Trade Logistics Branch, UNCTAD

This session is organised by:

13:00 - 14:00 CET

Sector Session

Financing of Rail PPP Projects

How Governments are adapting to make Rail PPP projects ESG compliant? How public authorities are broad basing the revenue stream of PPP Rail projects so as to increase RoI thereby making them bankable and suitable for green financing?

Speakers:
Mr. Elan Cusiac-Barr, Global Director, CPCPS
Ms. Martha Lawrence, Lead Railway Solutions, World Bank
Mr. R. K. Sinha, Former Director, DFCCIL, India

Moderator:
Ms. Doris Chevalier, Infraboost, France

14:00 - 15:00 CET

Event Partner Session

Central PPP Units: Success factors and challenges

A Central PPP Unit (CPPPU) is a PPP unit that provides service and has a role for "all of the government" rather than being a specialized team within a sector/line Ministry. Session will discuss what can be regarded as CPPPU, options for its design (allocation, institutionalization, range of responsibilities, size, etc.) and what is needed to make a CPPPU more effective.

Speakers:
Mr. Ancor Suarez Aleman, Senior PPP Specialist, IDB
Mr. Adilio Celle, Vice Minister of Economy, Paraguay
Ms. Katherin Sandoval Chacon, Departamento Nacional de Planeación, Colombia
Mr. Javier Encinas, Deputy Head of International, Infrastructure and Projects Authority, HM Treasury, UK

Moderator:
Mr. Andrés Rebollo, CEO, K-infra

This session is sponsored by:

15:00 - 16:00 CET

Regional Session

The growing role of PPPs in North America

This session will focus on the interconnectivity of infrastructure in North America. The economies of Mexico, the United States and Canada are closely linked through transnational trade. This requires a cohesive infrastructure network with linked infrastructure that transcends national boundaries. PPPs are being explored to improve infrastructure at both national level and international level and this will be discussed in the session.

Speakers:
Ms. Morteza Farajian, Executive Director, Build America Bureau
Ms. Lisa Mitchell, President and CEO, Canadian Council of PPP
Mr. Oscar Cortes Reyna, VP, International Relations, Mexican Federation of Civil Engineering Colleges (FEMCIC)

Moderator:
Ms. Laurie Tannous, President, Tannous and Associates Ltd.

16:00 - 17:00 CET

Regional Session

Structuring sustainable PPPs in Latin America

Structuring more sustainable PPPs requires the development of new analytical tools which can be adopted and applied by LATAM countries. This session will present the most recent applied studies and tools developed by the IADB through the joined efforts of the Climate Change and PPP areas, as well as through the role that the Latin America and the Caribbean Analysis and Best Practices PPP Network (LAC PPP Network) is playing for improving the delivery of sustainable PPPs in the region.

This session is organised by:

Speakers:
Mr. Ancor Suárez Alemán, Senior PPP Specialist - Vice Presidency for Countries, IADB
Mr. Gianleo Frisari, Senior Climate Change Specialist, IADB

Moderator:
Ms. Anne-Laure Mascle-Allemand, Executive director of PIAPPEM

17:00 - 17:20 CET

DFI Session

State of private investment in infrastructure: GI Hub's Infrastructure Monitor

With a purview of both developed and emerging economies, and special attention to ESG integration and Covid-19 impacts, GI Hub's Infrastructure Monitor 2021 report provides critical insights for investors on the state of global private investment in infrastructure (PPI). In this session, GIH will present levels of PPI in primary markets and its performance on financial and environmental, social, and governance (ESG) indicators.

Speaker:
Ms. Cinthya Pastor, Director Economics, GI Hub

This session is organised by:

17:20 - 18:00 CET

PPP Unit Session

Jamaica

North America Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:
Mrs. Nicola Russell, Manager of the Public-Private Partnerships and Privatization Division

18:00 - 18:45 CET

PPP Unit Session

Dominican Republic

Central America Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:
Izalia Lopez, Promotion Director for PPP, DGAPP

18:45 - 19:30 CET

PPP Unit Session

Ecuador

Latin America Chapter

Presentation of the latest PPP project pipeline, investment opportunities, case studies, legislative developments, and/or climate-related initiatives.

Speaker:
Roberto Salas Guzman, Secretary of the PPP Unit

DAY 5
Friday, 17 June 2022
Looking forward to COP27 and WAPPP awards

09:00 - 10:00 CET

Event Partner Session

Supporting the successful delivery of PPPs with free educational resources

APMG have worked with WBG & MDBs, GCA and IPA to develop globally recognized certifications in PPP (over 10,000 to date), climate-resilience and Infrastructure Business Cases that are supported by free learning resources. APMG will provide an overview of these programs and the potential impact of better qualified people in key roles.

Speakers:
Mr. Richard Pharro, CEO
Ms. Helen Platt, Project Manager

This session is sponsored by:

10:00 - 11:00 CET

Session 1

Future generation and impact of today's PPPs

How PPPs and private sector participation can create impactful initiatives that will shape the governments' future especially in education, skill development and technology.

This will ensure countries' sustainable growth by equipping the young generation with future skills and serving these upcoming, much-needed, employment opportunities with competent, properly trained young people.

This session is presented in collaboration with:

Speakers:
Max McCabe, COO, Education Outcomes Fund
Pierre-Antoine Pollot, Africa Infrastructure Fellowship Programme
Siria Taurelli, Coordinator of Skills Systems' Governance and Quality Assurance, European Training Foundation

Moderator:
Jinane Ghosh, WAPPP Executive Committee Member

11:00 - 12:00 CET

Event Partner Session

Growing role of Private sector initiatives and Philanthropy in developing critical infrastructure PPPs with social impact

Private sector and philanthropic organizations are key players in bringing transformational change and impact in social infrastructure PPPs. Circularity and the creation of mutual shared value are drivers of impact and benefit civil society at local level.

Speakers:
Mr. Max von Abendorth, Philanthropy expert
Mr. Narciso Berberana, Chief Strategist Officer, Aigües de Barcelona, AGBAR, Veolia
Ms. Alina Puig, Mercadona (on food security)

Moderator:
Ms. Elisabet Viladomiu Marnet, Director, PPPs Instituto Cerdà 17.17.1 Initiative

This session is sponsored by:

12:00 - 13:00 CET

Closing Keynote

Global outlook at COP27

A forward-look closing keynote panel on what will define the success of future-PPPs in the implementation framework of COP27.

This session is presented in collaboration with:

Speakers:
Ms. Hind Chawki, Head of ESG, Global Credit Markets West (AME, Europe, Americas) & Head, Financial Markets MENAP, Standard Chartered Bank
Ms. F. Cleo Kawawaki, Head of OPPP, ADB
Dr. Mahmoud Mohieldin, UN High Level Climate Change Champion for COP27
Mr. Richard Threlfall, Head of KPMG IMPACT, KPMG International

Moderator:
Jean-Christophe Barth, Executive Director, WAPPP

13:00 - 14:00 CET

Session 2

Ensuring women empowerment and participation in sustainable PPPs

Women are increasingly being recognized as the major stakeholder in climate action and impact conversations. Investing in women's empowerment and their role is important to build global resilience to shocks and to shape a more sustainable vision for the future of the Earth. Session will bring experts to highlight such issues and urgent need for women to shape the future infrastructure to tackle climate change.

Speakers:
Elise Buckle, She changes Climate
Isodora Chansky, InfraWomen (Brazil)

Moderator:
Fatima-Zohra Rahmoun, WAPPP Executive Committee Member

14:00 - 15:30 CET

Event Partner Session

Capstone-PPP Projects to align SDGs with Economic Recovery and Resilience

With global losses and damages from disasters increasing rapidly, developing and least developed countries, most affected by natural disasters, have limited resources to respond. How can public private partnerships increase adaptation capacity while aligning with the SDGs? The session will focus on an innovative PPP to increase resilience while adapting and strengthening coastal economies in this new reality.

Speakers:
Juan Bauza, Economic Recovery Director, US Economic Development Administration, Puerto Rico
Calandra Cruikshank, CEO, StateBook International, Inc.
David Dodd, CEO, International Sustainable Resilience Center, Inc.

Moderator:
Beth Gibbons, Executive Director, American Society of Adaptation Professionals

This session is sponsored by:

15:30 - 16:30 CET

Closing Session

Awards for selected papers and Recognition of event partners

Geoffrey Hamilton Award for the most innovative paper, including a short executive summary presentation

K Infra Award for the paper with most practical application of PPPs in developing countries

Recognition of WAPPP Event Partners

Speakers:
Mr. David Dodd, WAPPP Executive Committee Member
Mr. Thibaut Mourgues, WAPPP Executive Committee Member

This session is organised by:

16:30 CET

Closing Ceremony

Closing Ceremony End of Congress
